## *Notes from the Office*

### **Annual Meeting Follow-Up from Council Chair:**

Thank you to those who participated in our March 4th Annual Meeting (approx. 75). It was an important time to provide input to our Harcourt 20/20 journey. Copies of two discussion handouts are available outside the office. Briefly, here are key points that were confirmed by accepting the 2018 budget, with a projected deficit of \$39,000.

- Our community of faith reinforces our focus on the narratives of Revitalization and Radical Change.
- \$4000 seed money will provide small initiatives: enhanced, intentional welcoming; ongoing exploration and definition of 'community development'; exploring future use of Harcourt's facility/spaces.
- Revitalization is supported. The current Office & Technical Worship Support position will be expanded to include staff time to coordinate and create integrated internal and external communications (e.g. print, website, Facebook, Twitter).
- Radical Change is supported through additional part-time paid staff to focus on what options will best serve our plans for change within church and society today. This could be either a community support worker or a youth minister. Much more work and discussion will unfold in the months ahead about these options.
- We are called to support the decisions made at the meeting - financially as well as with our time and talents. Congregational givings need to increase significantly (+10%) to support the decisions made on March 4.

Our personal and family stewardship is critical to Harcourt's ability to survive and flourish. Please consider how you can contribute to our narratives of Revitalization and Radical Change and our many aspects of ministry. We know that you value Harcourt in your life.

## Look upwards in the Sanctuary

The two columnar, cylindrical, rear lights above the balcony have been refitted with LED fluorescent tubes and LED spotlights in the bottom of the fixtures. Please let Dave Hume (dhume@uoguelph.ca) Chair of the Property Committee know which colour of fluorescent lighting you prefer for the sanctuary.

**Harcourt Nametags** If you are new to Harcourt you may have noticed many in the congregation wearing a nametag. If you too would like a nametag please let Anne, in the office know, office@harcourtuc.ca There is no fee for your first nametag. If you have lost your nametag, replacement tags are available for \$6.00. Thank you to Marilyn Reilly for arranging for and picking up the nametags!

### **Photographs for Harcourt:**

#### **We invite you to share your photos with us!!**

“A picture is worth a thousand words”. This is the reality when people view our Harcourt website, facebook, twitter, Herald, Sunday worship material on the sanctuary screens, archives, flyers and bulletin boards.

We need your help in building our collection of photographs for use across these seven different avenues where we tell people about the heart and soul of Harcourt.

#### **If you decide to share your photos with Harcourt :**

If you have a lot, sort/eliminate some of them and break them down into groups of 10-15. (Or less than 25Mb per batch if you know how to figure that out.) File size depends on who you are using as an internet mail provider.

Also, it is requested that you date and name the pics. (eg Christmas 2017-1, Christmas 2017-2 etc.)
